

Presentation Hardware

Please bring the following hardware for presentations at Business Alliance events:

- * Laptop with a loaded presentation;
- * Laptop power adapter (10A socket);

Please ensure your Laptop provides connections for HDMI (*Mandatory*) and VGA (*Optional*):

Standard HDMI

Analog VGA

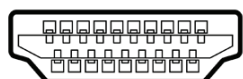

Standard HDMI / VGA cables and a USB Clicker will be provided by event organisers. Please ensure that you have the appropriate adapters if your Laptop has Mini or Micro HDMI connectors (*see below*) or other non-standard and proprietary connectors.
